

KMTI/UMTI Training Program and Curriculum

Kenya Ministry Training Institute (KMTI) and *Uganda Ministry Training Institute* (UMTI) are interdenominational programs established to provide local pastors and church leaders with biblical training to better prepare them for service in their churches and communities.

We offer a two-year diploma program in *Biblical Studies* designed to expose our students to a scriptural worldview, which affirms that Jesus Christ is Lord and Redeemer of creation. We believe that the Bible is indeed the Word of God and the final authority in all matters of Christian faith and practice. Our focus is upon foundational Christianity as revealed in the Bible, rather than sectarian doctrine. Our goal is to teach pastors how to study the Bible using the *inductive* method. We believe that in doing so, pastors will be fully able to grasp the content, intent, and proper application of God's Word to their own particular situation. We do not see KMTI/UMTI as ends in themselves but as new beginnings for local pastors to become lifelong students, as well as teachers, of God's Word.

We are committed to see the whole church built up and prepared to fulfill the Great Commission together.

How Does the Training Institute Work?

Because we are concerned with training pastors and church leaders, we have arranged our program to complement their schedule.

We understand the difficulty they have in acquiring biblical training without leaving their churches and families for long periods of time. Therefore, we have arranged a curriculum consisting of *twenty-four courses* offered in *eight quarterly sessions*. Each quarter we present three courses over a *two-week intensive* session. The students stay at the training center throughout each two-week session, living and studying together. There are separate dorms for men and women.

After each session, the pastors/evangelists return to their homes and churches to continue their ministry. Three months later, they return for the next quarter of classes. In two years they earn a diploma in Biblical Studies without spending a fortune on tuition and fees (each student contributes 20% of their tuition, the remainder coming from sponsors). Most importantly, they will be better equipped to train members of their churches for ministry to the world around them. The guiding scripture is 2 Tim. 2:2: "And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also."
