

Dear Brother Mark,

I appreciate so much your support by sponsoring me in the Bible course which I am now in the third quarter at UMTI. I want to assure you that I have experienced great change in my ministry. Formerly I used to get challenged a lot in the field when I encountered religious sects like that of the Muslim faith. Now I have learned many skills and approaches to help me. As a pastor I have changed in how I handle the flock and how to minister. It has taken me to another level. I know by the end of this course I shall be able to take the Gospel to the unreached around the globe as it says in Mark 16:14.

I am Pastor Juma Labu Patrick, married to Rose Labu, and we have four children. May God bless you so much. Thank you.
